### **Registration of Parishioners**

Next weekend, November 4-5 we will be registering parishioners. At present we have a small number of families registered in the parish compared to the number who attend Mass and send their children to catechism. After each of the Masses we will have people in the vestibule available to register new people.

**If you already are registered, we have your contact information and have given you an envelope number; you don't have to register again.**

Registration carries a variety of benefits. It gives us a way of contacting you by phone, email or US mail. When plans change or there are new events we can reach out and keep you informed instead of waiting a whole week for an announcement or the bulletin. It also gives us a basis to send letters of suitability as godparents and sponsors. It can help confirm you so that you can receive parishioner rates on our schools tuition-we can verify that you practice your faith. Finally, we can write letters for tax deductions for your yearly contributions. Please register if you haven't already.

### **Registro de Feligreses**

El próximo fin de semana, 4 y 5 de noviembre, registraremos a los feligreses. En la actualidad tenemos un número reducido de familias registradas en la parroquia en comparación con el número que asiste a misa y envía a sus hijos al catecismo. Después de cada una de las Misas tendremos gente en el vestíbulo disponible para registrar nuevas personas.

**Si ya estás registrado, tenemos tu información de contacto y te hemos dado un número de sobre; no es necesario que te registres nuevamente.**

El registro conlleva una variedad de beneficios. Nos brinda una forma de comunicarnos con usted por teléfono, correo electrónico o correo postal. Cuando los planes cambian o hay nuevos eventos, podemos comunicarnos con usted y mantenerlo informado en lugar de esperar una semana entera para recibir un anuncio en el boletín. También nos da una base para enviar cartas de idoneidad como padrinos y padrinos. Puede ayudar a confirmarlo para que pueda recibir tarifas de feligreses en la matrícula de nuestra escuelas; podemos verificar que practica su fe. Finalmente, podemos escribir cartas para deducciones fiscales por sus contribuciones anuales. Regístrese si aún no lo ha hecho.

# IMPORTANT MESSAGE FROM FATHER MARTIN

## Vocation Promotion

God calls people. Each person fits into God's plan in their own special way. Right now we have a crisis in vocations. We often hear of a vocation crisis but I think that misses the full truth. As much as we have fewer men looking onto becoming priests, it is just as serious the decline in women considering religious life, and we are honest with ourselves fewer people who are getting married and fewer yet seeking the sacrament of marriage.

This decline affects all of us. Fewer priests mean having to restructure parishes: merging, twinning, closing- which in turn means cuts in the number of Masses. Fewer women religious effects Catholic schools and hospitals, fewer sacramental marriages mean fewer stable marriages, more temporary unions.

Turning things around requires a common effort. I am looking to gather parishioners who are willing to help stir up vocations. There are a couple ways: pray about it, talk about it, share about it.

- Prayer: Be willing to participate in regular prayer for vocations. We will be scheduling a monthly Holy Hour but if people could also include prayer for vocations in their personal prayer life.
- Talk about it: Make the commitment to asking people they know or meet in the parish or their walk of life if they had thought about a call from God- tell them you believe they have qualities that would be a blessing in a vocation.
- Share about it: Meet once a month and share what it was like to talk about vocations, what sort of reactions there were. Read some material to deepen our sense of how vocations grow. Maybe one Saturday morning a month, a little brunch a little sharing.

I would love to have 12-20 praying, 6-8 inviting people to think about vocations. Contact the parish office if you are interested.
